ELEXON IT system outage between 09:30 – 12:30 on Thursday 26 April 2018

What's the issue?

IT system maintenance will take place **between 09:30 (BST) and 12:30 (BST) on Thursday 26 April 2018**.

This is an ELEXON IT systems outage and **will not affect** the BSC Central Systems.

Why is the outage required?

The outage is due to necessary maintenance on ELEXON's internal infrastructure.

How will I be affected?

During the outage, ELEXON may receive the TIBCO messages intermittently, as a result the indicative Best View Prices on the ELEXON Portal may deviate more from final prices than usual from 09:30 until 12:30 on Thursday 26 April 2018. These prices will not be recalculated and will remain potentially less accurate until replaced by the Interim Information (II) run.

Is there anything else I need to know?

No, however, if you have any queries relating to this, please contact bscservicedesk@cgi.com.
